"I want to thank Governor Walker and Foxconn for funding the rebuilding and expansion of I-94 North-South in the Foxconn special session bill.

"Even more than before, it is absolutely critical to restart this road project to ensure the success of not just Foxconn, but the many other economic development opportunities that are planning to come our area.

"This is a once in a lifetime opportunity, and I will do everything I can to ensure the Foxconn development comes to fruition."
